- Counselling service

OUR TEAM

COMPASSIONATE CARE FROM A HIGHLY QUALIFIED RESIDENT TEAM

Dr. Modupe Elebute-Odunsi
Founder & CEO

Marcelle Ruth brings together some of the world's leading clinicians, with expertise in treating cancer and a range of other, specialist conditions.

After carving out successful careers in Europe and the USA, these leaders in their field are bringing a wealth of experience back home to Nigeria.

Working closely with an exceptional multidisciplinary team of highly-skilled personnel, they are committed to providing the highest quality of healthcare.

CANCER CARE

FIRST-CLASS SPECIALIST TREATMENT FOR THE VERY BEST OUTCOMES

At Marcelle Ruth, we understand how worrying it is to deal with the possibility or the confirmation of having cancer. Rest assured that we are with you every step of the way, from diagnosis through treatment – and, where needed, for many years afterwards.

With direct access to the latest treatments and technology, we carry out screening, diagnostic tests and surgical procedures in our state-of-the-art facilities.

Treatments include:

Surgery
Chemotherapy
Radiotherapy
Immunotherapy

We are also fully equipped to deliver chemotherapy, radiotherapy and immunotherapy on site, as part of a personalised treatment plan.

SPECIALIST TREATMENTS

STATE-OF- THE-ART SCREENING AND PREVENTION SERVICES

As well as cancer, Marcelle Ruth's team treats a range of conditions that need specialist care.

Backed by years of research, training and experience, we use our advanced skills in these fields to provide the right treatment, support and understanding.

As well as running dedicated clinics and carrying out expert surgical procedures to diagnose and treat conditions, we offer the support you need to maintain all-round physical and mental health.

Specialisms include:

- Concierge Health
- Haematology
- Laparoscopic surgery
- Oncology
- Sickle cell
- Internal medicine
- Interventional radiology
- Dermatology
- Ophthalmology
- Counselling
- Nutrition
- Physiotherapy
- Home care

OUR TECHNOLOGY

THE LATEST EQUIPMENT, AT A SPECIALIST HOSPITAL NEAR YOU

At our well-appointed and modern premises, we use state-of-the-art technology for screening, diagnosis and treatment.

With x-rays, scans, blood tests and biopsies all available on-site, there will be less need for you to travel or wait for investigative procedures or results.

And with fast and accurate diagnosis, you'll be in a much better position to cope with and recover from any treatment required, and return quickly to a fully active life.

Our technology:

64-slice CT simulator

3D mammogram

3D ultrasound

Digital X-Ray

Varian TrueBeam linear accelerator

Brachytherapy

TREATMENT DESIGNED WITH ONLY YOU IN MIND

Whenever you visit Marcelle Ruth, you can expect a warm welcome and a calm, caring environment.

At appointments with our consultants, we give you all the time you need to ask questions and absorb the answers. If you are coming for tests and treatment, we will advise you in advance how long it should take.

As treatment plans are tailored to individual requirements, the cost of care varies from patient to patient. But you can be sure that your treatment and support will respect and respond to your preferences, values and requirements.

Payment options:
Corporate retainer
Insurance
Self-pay
